PREFACE

IN presenting the **Forty-First Annual Edition of the City of Hamilton Directory**, we thank the business men and patrons of the Directory generally for the very liberal and enthusiastic support they have given us and for the substantial increase in advertising. As our last edition proved very satisfactory, we are quite confident that the present volume will be still more so, it containing more information, and no expense, time, or labor being spared to make it most accurate.

In the Miscellaneous Directory will be found the names of the new officers of the various societies, etc. In due time our canvassers will call on you for the renewal of your patronage.

Wishing our subscribers a prosperous year, we remain,

Respectfully yours,

HENRY VERNON & SON,
127 Jackson Street West

Our Guaranteed Low Cost Life Insurance Policies

PROVIDE a definite amount of insurance at a definite low cost.

Every Benefit Guaranteed.

Guarantees the family the largest amount of protection from the beginning.

A guaranteed low cost of from 20% to 25% more insurance takes the place of indefinate dividends offered by participating companies.

In event of permanent total disability before age 60 these contracts immediately mature for the full value by the payment of a guaranteed income to the disabled insured.

Twenty-five cents a day at age 35 will purchase a $4000 policy.

ACCIDENT POLICIES.

Our accident policies are famous the world over for what such contracts should be. Most business men will have no others.

We have paid claims to 607,000 accident policyholders with benefits amounting to over $39,500,000.

Our policies cover every accident.

The benefit of accident policies are so large, the cost so small, that no man can afford to be without one in these days of many and great catastrophes. We also write Employers' Liability, Steam Boiler, Teams and Automobile Insurance.
